  - 1. FY 2019-2020 Giving Update: Doug released a summary report of the gifts given in the Fiscal Year 2019-2020 with \$1.68 million in cash gifts, in-kind gifts in the amount of \$4 million, and directed scholarships in the amount of \$338,000. The total of all gifts in the 2019-2020 Fiscal Year amounting to \$6.15 million compared to last year's \$3.7 million. The number of gifts received this year was 3,755 gifts, coming up from the past year's about 3,100 and further back about 2,300. With new ways of giving and crowdfunding, the Foundation has increased the number of gifts and hopefully with more donors in the pipeline will lead to bigger gifts.
  - 2. Gifts Over \$10K for 2019-2020: Doug emailed out the list of gifts over \$10K for 2019-2020 with \$988K of the \$1.6 million coming from larger gifts. Doug was appreciative of the support from the Board Members and the diversity of donations from across programs and departments on the campus.
- **J. Member Comments:** Barbara Bullard asked about the likelihood of matching any amount on Giving Tuesday and Doug responded that the two sources that the match normally comes from (\$65,000 from the Pepsi contract and \$50,000 from ASOCC), the amount from Pepsi has been cut in half and the Foundation does not expect to receive any funds from ASOCC this year. Therefore, the match will be at a lower amount whether .25 or .50 on the dollar to a certain amount, which will be discussed more in detail at the next Board Meeting and Doug will present a recommendation.
